Extract from the Staff Meeting Minutes of 5 October 1979:

Mr. Carlucci asked if we are likely to get tied to a Washington Post article today: "Homosexual Ruled Entitled to Hearing for Lost FBI Job" (attached). Silver said we are likely to face a similar situation noting a case that will soon be forwarded to the Director re a contractor employee. Several referred to our recent letter to Harvard University on this topic. Mr. Carlucci asked Silver to get with him on this as soon as Silver is ready. (Action: GC)
